

VOLUNTEER INCENTIVES

You have earned your hours.....

Now reward yourself!

For registered and active volunteer staff of:

Lee County Parks and Recreation and University of Florida Extension

Lee County Parks and Recreation would like to THANK YOU for the many hours you selflessly give to making Lee County a better place to live. Every quarter your hours that you record on your time sheet are accumulated and reported to Volunteer Services. You can use your hours to "purchase" the items in this catalogue. This is just a small gesture to show you how much we truly appreciate you.

Volunteer Incentives can be ordered at any time by simply filling out the order form and submitting it to Volunteer Services.

- All hours earned are "Roll Over" hours and can be saved up from year-to-year starting with 2005.
- You can combine hours with a others towards the incentive program.
- All volunteer staff can receive a parking pass for 40 hours work without spending any hours.
- There is no limit of items you can request at any given time as long as you have earned those hours and there are no quantity limits.
- **All items are available as long as supplies are available.**

If you have any questions or concerns about your hours or the incentive program, please feel free to communicate them to Volunteer Services. Have a great day and know that you are appreciated.
